

360.tech.gov.sg

POWERED BY CIOO LABS

Facilitate fair, transparent and empowering employee evaluations and promotions to support career development across the organization.

Metrics

- Perception on **clear, empowering and fair evaluations**

Use cases

1. **Officers** can input self evaluations and request feedback from peers from a single platform
2. **Evaluators and POD** can easily access and review evaluation documents (e.g., self evals, manager evals, feedback)
3. **Evaluators** have a common tool to facilitate evaluation discussions, voting and logging of final results
4. [WIP] Evaluation documents will also flow seamlessly into the promotions evaluation process
