

Equip

POWERED BY CIOO LABS

Equipping you with all you need for work

Metrics

- **Reduce time for staff to obtain hardware and software by >80%**
- **Reduce time spent by HR onboarding and offboarding staff by >80%**

Use cases

- **Streamlined software & hardware provisioning** (Jira/Confluence/Gitlab/Figma, MacBooks, GoMax, Lockers)
 - All done on one central self-service platform
 - Fully automates software provisioning
 - Reduces time to coordinate device pickups
 - Enables data-driven cost forecasting
- **Streamlined HR onboarding and offboarding workflows**
 - Reduces onboarding time from 40-60 min to 10 min per hire
 - Includes security clearance, access card, hardware, and software provisioning
 - Reflects accurate information from sources of truth
