

# Syncbridge

POWERED BY CIOO LABS

Your new calendar BFF that keeps Google and Outlook in sync.

## Metrics

- **Users onboarded** (50 so far)
- **Guardrail:** User Satisfaction, #tickets/bugs filed
- **Technical:** P99 of time between syncs (15 secs)

## Use cases

Whether you live in Google Workspace or swear by Outlook, Syncbridge bridges the gap so you'll never miss a beat.

No more double-booking, manual copy-pasting, or awkward "can you resend that invite?" messages. Just smooth, seamless scheduling.

We've also just started a closed pilot round; stay tuned!
